R&M's Grier named Group Manager of Surface Transportation, Colby named Group Manager of Right of Way Services

R&M CONSULTANTS, INC. (R&M) is pleased to announce that **Tim Grier, P.E.** has been named Group Manager of Surface Transportation. In this role, he will be responsible for management and development of R&M's Surface Transportation Group, which includes promoting relationships with existing and new clients. Along with marketing surface transportation engineering services, he is also responsible for recruitment, managing project work, coordination of technical staff, and establishing, promoting and assuring quality on all projects and work performed by surface transportation group staff.

An R&M employee since April 2007, Tim brings strong leadership and surface transportation design experience to this position. Tim holds a B.S. in Civil Engineering from the University of Alaska Fairbanks.

Michelle Colby, SR/WA, RW-NAC has been named Group Manager of Right of Way Services. In this role, she will be responsible for management and development of R&M's Right of Way Services Group, which includes promoting relationships with existing and new clients. Along with marketing right of way services, she is also responsible for recruitment, managing project work, coordination of technical staff, and establishing, promoting and assuring quality on all projects and work performed by right of way services staff.

Michelle joined the R&M team 3 years ago, and has more than 13 years of real estate experience.

Founded in Alaska in 1969, R&M is a multi-discipline consulting firm specializing in cold regions civil and structural engineering. R&M is also widely recognized for our outstanding complementary capabilities in earth sciences, surveying and mapping, right of way, construction administration, special inspection and materials testing.
