

# Notice of Public Scoping Meeting

Seward Highway MP 100-105 (Indian-Bird) Improvements  
and HSIP: CR Traffic Safety Corridor Left Turn Lanes  
Project Nos. 52784/OA31048 and 57088/0001497

Thursday, November 6, 2014, 6:30 PM – 8:30 PM, Valley Bible Chalet  
29135 Seward Highway, Milepost 102, Indian, AK 99540

The Alaska Department of Transportation and Public Facilities (DOT&PF) is proposing improvements on the Seward Highway, MP 100-105, between the communities of Bird Creek and Indian. The federally funded action includes a Resurfacing, Restoration, and Rehabilitation (3R) project, and a Highway Safety Improvement Program (HSIP) project. The 3R project will extend the roadway service life. Improvements include repaving the highway, constructing a separated multi-use pathway in Indian, and replacing the Indian Creek bridge. The HSIP project will improve safety and reduce congestion by adding left turn lanes at the Boretide Road and Sawmill Road intersections. The project is in the preliminary design and environmental phase. Construction is anticipated to begin in 2017.

Stop by the Open House to learn about the project, meet the DOT&PF and R&M Consultants, Inc. Project Team, ask questions, and provide feedback.
